The Community Inclusion Team including the School Resource Officers continued presentations online to students within our jurisdictions.

The Community Inclusion Team is also partnering with a media relations company and a youth mentor to create new content and anti-gang presentations to be used during engagement activities when COVID restrictions allow. Online engagement will begin in the fall if in person presentations are still restricted.

However, given the success of this project foot patrols will still continue to occur at the high-risk areas. In 2021 a thirty-two (32) percent reduction was noted in incidents at the waterways. Unfortunately the number of individuals on the waterways remains consistent but the incidents in which they are involved are lower. Please note that should funding be granted to continue the administrative task of tracking statistics, they will be reported on.
